# 2024 EXTENDED SIGN AND STAND BOX

**Your Price  
TBD - Please Call**

## 2024 Extended Stand box

Keep many signs and stands organized and safely accessible. This extended sign and stand box is positioned behind the headboard on a standard-width truck bed. Stands are accessible from the deck of the truck. Extending across the truck bed with doors on each end, signs are always accessible from the safe side of the truck. This sign and stand box holds 24 large sign stands and many signs.
