

# EXTENDED SIGN AND STAND BOX

# BUILT TO SAVE

## Description

Keep many signs and many big stands organized and safely accessible. Box unit can be optimally positioned against truck head board or on either side of a truck deck. This products modular design can be sold and installed together as independent sign or stand units as well as a complete sign and stand box unit.

Holds 24 large sign stands and many signs.

## Extended Sign Box Unit

Keep signs protected, in order, and unrolled with TPB's Extended Sign Box Unit. Sign box unit features TPB's signature double sided door access to ensure safe and quick access. Interior S-bracket prevents signs from crashing into each other and sliding into the middle of the box unit.

## Extended Stand Box Unit

Keep Stands fully stocked, secured, and protected with the Extended Stand Box unit. Take stand inventory at a glance. Holds up to 24 stands per unit.
